

HOPE

*For Your Family
Through*

CHRIST

What will your family look like in 5 years? What do you think God wants it to look like?

We believe God wants Christ's Hope to be the church that attracts the community through building strong families. In five years, we believe our surrounding community will say,

“if you want to have a strong family, consider checking out what’s happening at Christ’s Hope.”

Hope for your Family through Christ

Based on the goals that our families submitted to us for 2016, we will be focusing on building strong families through four key areas:

- 1) Consistent Bible Study
- 2) Debt Free Life and Retirement
- 3) Christian Witness
- 4) Healthy Mind and Body

Hope for your Family through Christ
